Norwich Youth Football and Cheerleading

Norwich Police Athletic League (PAL)

Norwich Youth League Soccer

Norwich Youth Lacrosse Association

## Charles Connell

Charles Connell grew up in Norwich and graduated from Norwich Free Academy in 1966. His skeet shooting began in 1964 at age 16, when he became a full member of the Norwich Fish and Game Club, occasionally shooting with the older men. In 1969, he was drafted into the U. S. Navy and was stationed aboard the USS Waddell DDG-24, home ported in Yokosuka, Japan where he served on the Vietnam Gun Support line. There was a large skeet shooting complex on base, so he continued to shoot during his lunch breaks when they were in port. Charles was eventually asked to participate in a large NSSA (National) shoot and was the first "Fleet" Sailor to win a High Overall title in his class at age 21.

After being discharged from the Navy, he entered UCONN in January of 1971 and joined a Trap and Skeet Club. With his experience of shooting with the Navy team in Japan, Okinawa, and the Philippines; he then shot with the UCONN team for four years as their team Captain. He went to the World Collegiate shoot twice. His best win was at the Yale Invitational Open where college teams from all over New England, New York, and Pennsylvania competed. He won the Skeet Championship there with 100/100, a perfect score.

In 1981, he was asked to shoot in the Eastern CT Skeet League, the oldest continuing Skeet league in the country. Family and work kept him busy until the mid-1980's when he could shoot on a regular basis. The league carried 350-450 participants divided into 6-8 divisions with 5-8 shooters on a team ranked by averages of the top five shooters. Charles had the 2<sup>nd</sup> highest average in the league in 1999 and 4<sup>th</sup> highest in 2003. Additionally, in 1992 and 2010, he won the ECSL Fall Shoot and in 2008-2022 started to run the ECSL Spring Shoot with up to 110 shooters at the largest site in the state: the Fin Fur Feather Club. He captured the 2013 CT State Shoot 12 gauge Runner Up title (NSSA) and numerous Zone One, all New England and New York class Titles. There are usually 6-8 All-American shooters competing in these large shoots and all of your wins must be 100/100 and then shoot offs of 100's.

Charles last award came at the end of the 2021-2022 ECSL winter league when he won the "Seniors" high average" award for shooters over 70 years old. "In total, I've competed for over 50 years of skeet shooting and like golfers, I will continue until I can't swing the gun any longer ... Maybe I'll try golf next!"

## Alfred “Fred” Fournier

Fred was an outstanding football player graduating from NFA 1971, the Kent School in 1973 and the University of Vermont in 1977. In 1967, Fred entered high school at NFA. Being blessed with good size at a young age, Fred had no choice but to play for the football team. Being over six foot and weighing over two hundred pounds, Fred stood out and one could see the impact a player of this stature could have. Fred did not disappoint.

In the late 1960's, NFA was playing in the Capital District Conference. It was a conference that had some of the best teams in the state at the time, most notably New Britain. In 1968, Fred's first varsity season, NFA finished the season 7-3. He was an important player on both sides of the line. While NFA was loaded with talented and tough players, Fred was an important part of the team's success. Writing after NFA's tough 37-34 loss to New London in the 102<sup>nd</sup> game between the two rivals, Tim Tolokan, the Bulletin's Sport Editor at the time, said, "Fred Fournier, a sophomore and a good one, will be back for two more campaigns. He was immense on defense throughout the year- always plugging a big hole on the interior line." Fred's impact was noticed. Fred was an all CDC selection his sophomore year.

Fred's junior and senior years were equally impressive. Teams to be successful had to make adjustments and account for his place on the field. Fred was difficult to move. It was just that simple. Fred was again selected All-CDC his junior and senior years and chosen as one of the tri-captains for his senior season. Doc Calitri, the Bulletin's assistant sports editor said of Fred, "No one shoved the Academy around this season (1970) and much of the credit goes to senior Fred Fournier, the huge defensive tackle and tri-captain who turned in stellar games week after week." Fred's teammates at NFA his senior year remember Fred for his leadership, his reliability and his soft-spoken manner both on and off the field.

Fred was heavily recruited coming out of high school. Merrill Thoreson, Fred's line coach at NFA, believed it was in Fred's best interest to attend The Kent School for post-graduate work. While it delayed college, Kent gave Fred two more years to mature academically and develop physically. The direction given by Fred's Coach would prove to be very significant for Fred's future. After two years at Kent, playing there for Coach Cy Theobald, Fred chose to attend the University of Vermont and play football there.

After Fred's second season in Burlington, UVM dropped their football program. In a bind, Fred had two choices. He could transfer and play football somewhere else or stay at UVM and complete his degree. Fred stayed at UVM and finished his degree in Forestry and Environmental Sciences.

Moving to Martha's Vineyard after graduation, Fred has used his degree to open an award winning landscape design, construction and maintenance business. Fred and his wife Jennifer are the parents of four children; Caroline, Andrew, Austin and Curtis.

Fred has come a long way from Taftville and made his hometown proud with all his successes that he has achieved throughout life.

## Barbara Marcia Glenney

Barbara Marcia Glenney participated in 4 seasons of soccer, basketball and track, earning 12 letters at the Norwich Free Academy. In soccer, Marci was all conference 4 times and All-State once. Marci was the leading scorer her senior year and scored all of the team's goals in the postseason. She finished as the #3 all-time goal scorer in NFA program history. Over her 4 years the team went 40-16-11, while winning two ECC soccer championships.

In the sport of track, Marci was primarily a high jumper while spending some time running the 400. The track program over Marci's 4 years had an overall record of 37-0 winning the ECC championship and the state meet all four years. Marci was an ECC champion in the high jump and tied the school record clearing 5'4".

Marci was the major contributor to similar success in the basketball program. During her 4 years the team was 99-6, winning the ECC championship four times and the state championship her upper and senior years, the 1995-96 state championship was the first in school history. She completed her career with a 54 consecutive game win streak and the all-time leading scorer in school history with 1653 points. Individually, Marci was All-Conference and All-State for three years. She set the individual career and season scoring records. She was named the USA Today and Gatorade state Player of the Year, the Gatorade New England Player of the Year and a Street and Smith All-American honorable mention.

After high school, Marci attended the University of Connecticut for 2 years where she played in 62 career games. During the 1997-98 season, the Huskies finished 34-2 reaching the Elite Eight. Marci was a starter for much of the 1998-99 season. The team went 29-5 and advanced to the sweet 16. Marci transferred to Clemson where she completed her college career. In her first season at Clemson the team finished 2<sup>nd</sup> in the ACC. Marci started 24 games as a junior averaging 9.6 ppg and 26 games as a senior averaging 9.7 ppg. Her junior year the team went 21-10, ranked in the top 25 nationally and reached the second round of the NCAA tournament. In her senior year, the team finished 17-12 with another NCAA tournament bid. Marci was named an ACC player of the week on Jan. 28, 2002 having averaged 20.8 points over league games against Maryland (19 pts., 7 reb.), North Carolina State (19 pts., 6 steals) and Georgia Tech (career high 24 pts.) She finished as all-ACC third team. "Marci is our most versatile player," Clemson coach Jim Davis said. "Her tough, aggressive style of play and her ball-handling abilities make her a challenging matchup." Marci graduated from Clemson in 2002 with a marketing degree. She earned a nursing degree in 2012 and is currently a trauma nurse in the emergency department at Grady Memorial Hospital in Atlanta. She played professionally in Denmark for one year leading the team in scoring. Highlights of her basketball career included being inducted into the New England Basketball Hall of Fame, the Norwich Free Academy Sports Hall of Fame and in 2019, the Connecticut Women's Basketball Hall of Fame.

## Fran Houle

Fran Houle distinguished himself as a prominent runner in high school at Norwich Free Academy. He earned All-SAC honors in the Fall of 1979. While he dominated running, he also exemplified leadership as the team captain across all three seasons in cross country, indoor track, and outdoor track, from 1979-1980. His high school dominance led to greater success in college. Fran ran cross country at the University of Connecticut (UCONN) where he helped his team finish second in New England and more impressive, a bid to the NCAA championships in 1981. His UCONN team went on to outpace their competitors winning the CT State Team Championship in 1982.

Fran fortified his racing career after his collegiate experience, winning multiple local road races from 1982- 1995. His first place race victories include the Carl Snitkin Race, Baltic 10K, Clinton Jaycee 10K, Lisbon Fall Festival Race, North Stonington Fair 5K, Father Casey Memorial 5K, Subbase 5 Miler, Moosup VJ Day 5K, Ledyard Fair 5K, Al Morrison Road Race, East Lyme Health Run, Conn College April Fool's Day Race, Mystic Village Race, Niantic Lions Race, Pomfret Team Quadrathlon, Putnam 4<sup>th</sup> of July Race, and Danielson Surplus Summer Classic. Fran accumulated four top five finishes at the competitive and challenging Norwich Rose Arts Race with a personal record (PR) of 55:04. His lifetime PR's include 14:52 for the 5K, 24:43 for 5miles, and 31:27 for the 10K. Fran ran for the Mohegan Striders and the Central Mass Striders for over 10 years.

Emulating his achievements in running, Fran also excelled in softball. He competed in softball for 20 years, amassing an incredible 14 league championships. As a leadoff hitter and shortstop, Fran's dominance was evident. He held a career batting average of .552.

As a top runner and softball player, Fran sought to develop sportsmanship and provide quality training for area youth. Fran held the position of assistant coach for the Taftville Little League from 1985-1988, girls' outdoor track coach at Griswold High School from 1986-1992, Jewett City Little League coach for t-ball, farm system, and Little League from 2000-2006, and Lisbon youth recreation basketball coach from 2000-2006. Fran's desire to give back to the community surged on. In addition to coaching, Fran officiated as an umpire for the Jewett City Little League from 2004-2008 and most recently, in Lisbon Women's Volleyball League from 2010 to the present. Fran volunteered as an assistant scoutmaster from Troop 73 in Lisbon from 2005- 2015. Fran continues to play softball and is an avid golfer.

## Stephanie (Johnson) Delucia

Our community has been blessed with many successful and accomplished runners. Certainly at the top of that list is Stephanie (Johnson) Delucia. Like so many others, Stephanie developed her interest in running by participating in the youth program at Fontaine Field under the tutelage of Kevin Crowley and Joe Lonardelli. She participated in the Hershey Track and Field Program qualifying for Jr. Olympic National Cross Country Championship as an 8<sup>th</sup> grader.

But it was when she entered NFA in the fall of 1992 that Stephanie really flourished. Her individual accomplishments in Cross Country and Track are numerous. In Cross Country, she was All ECC, All State and Top 10 four years, LL Champion 1992, LL Runner-up 1993, 1995. She led the NFA team to four ECC Championships, two LL Championships, two State Open Championships and in 1995 was the first CT girls team to win the New England Championship. In Outdoor Track she was All-ECC and All-State four years. In 1994, she set the school record in the 800 meter while also being named All-New England. The NFA team were ECC Champions four years and LL Champions three years. In Indoor Track, Stephanie was All-ECC two years and All-New England in 1994 setting State Record for the 4x880 meter race. All totaled while at NFA, between Cross Country and Track, Stephanie was All New England 5 times!

Stephanie's excellence continued in her college career at Central Connecticut State University competing on the Division 1 level in the Northeast Conference, Stephanie established herself in the Conference Championships. In 1998, she was NEC Individual Champion as part of the team winning the championship. She continued her dominance in the NEC Championships by finishing 1<sup>st</sup> in Outdoor 1500m in 1999, setting a school record 4.42, setting school record with a 5.09 in the Indoor 1600m and numerous top 3 finishes in the 1600m and 3000m races. She held CCSU school records in the 3,000m, 5,000m, 1,000m (indoor track) and 1500m and 4x800m (outdoor track). In recognition of her accomplishments and the culmination of a terrific career, Stephanie received the NEC Women's Indoor and Outdoor Track Outstanding Performer Award for 1998-1999 season

Stephanie has continued to run competitively in numerous 5K's and half marathons. She currently runs for the Mohegan Striders and has participated in state grand prix road race circuit. Presently, Stephanie is a reading consultant for Lebanon Public Schools. In her spare time, she is a volunteer at the Lebanon Track and Cross Country summer camp. She is married to Tim Delucia, Norwich Tech Athletic Director, and has two children Hazel and Tanner. Her great joy is to watch her children compete athletically. Hazel carries the Johnson gene and is quite the runner, while Tanner favors the Delucia gene with his golf prowess.

## **Joseph Kapteina Service Award Recipient Bernard "Barney" Caulfield**

Barney Caulfield was born in Norwich and graduated from Norwich Free Academy in 1966. He played football, basketball, and baseball as a freshman, then baseball for the next three years. He matriculated at Mitchell College with an associate degree playing baseball on the college team and playing in the Norwich City League. In 1971, he volunteered for the U.S. Army draft and was assigned to West Berlin, Germany. He played on the Berlin Bears-Army team and played throughout West Germany for almost two years while he was stationed at Spandau Prison. After his discharge, he attended Central Connecticut State College and graduated in Secondary Education. He taught Industrial Arts at Teachers' Memorial Junior High School for 30 years. During that time, he continued to play in the Norwich City League and the "Over 30 League" for almost 15 years and in the early 1980's decided to take up golf.

Barney has spent the last eighteen years working for Norwich Housing as an inspector for renovations to existing housing and as a go-between for the occupant and City of Norwich. His relationship with Public Utilities and knowledge of building and home renovations has helped him in numerous ways. Barney became involved with the Norwich Golf Course Authority in 1996 when his father John retired from the role of Chairman of that organization. The City Manager at that time, Charles Whitty, asked Barney to become a member of the organization. After applying and being approved, he took over the Building and Maintenance sub-committee. In 2007, he replaced Bob Ford as Chairman of the Norwich Golf Course Authority.

The main job of the Chairman is to oversee the basic operations of the golf course and hire the managers to run the daily operations of the course, the golf professional and also a course superintendent. Once that is done, the third piece of the pie can never be forgotten- updating the grounds, buildings, equipment, and the future of the course. Barney has always been around the golf course to monitor, fix, advise, or to get the right people to get the job done.

In the last fifteen years many projects have been undertaken at the course including: replacement of the heating system, roofing, cart paths, eliminating trees for better air circulation around the tees and greens, and updating the maintenance equipment. Additionally, the snack/restroom facility and the parking lot were upgraded. Spanning five years, the largest and most cost-effective project was just recently completed, That project, completion of an acre and one-half holding pond, provides all of the water to irrigate the golf course. The project started with the hiring of an engineer and acquiring numerous permits from the Connecticut DEEP and loans from the City of Norwich. Barney says he is grateful for having dedicated Board Members on the Golf Authority along with great support from the City Council, Mayor, City Manager, and Finance Department.

## Sportsperson of the Year Robert Kearney

Rob Kearney is an American Professional strongman who has competed in many strongman competitions around the world including World's Strongest Man (WSM), The Arnold Strongman Classic, The Rogue Invitational, The Arnold Strongman Australia and just recently the May 2022 WSM in Sacramento. In 2016, Rob won The World Log Lift Championship and was runner-up in 2019. Also at the 2019 World Log Lift Championships, he claimed the American Log Lift record of 471 lbs, which was only 19lbs short of the World Record and World Log Lift Championship record at that time.

In 2017, he won the North American Open of the Giants Live tour, which is the official qualifying tour for WSM and has since established himself as not only a “competitor” in several WSM events, but a “contender”.

Rob qualified for the 2020 Arnold Strongman Classic by winning the Arnold Pro Strongman Australia. He's competed in the WSM competition 4 times, won the 2019 Arnold Pro Strongman Australia, and was named Official Strongman's Pound for Pound Strongest Man in the World in September 2020. At 5'10" and 285lbs, Kearney calls himself small for a professional strongman. He competes against larger athletes, including the 6-foot-9, 440-pound athlete and actor Thor, who plays “The Mountain” on the “Game of Thrones.”

Rob first starting seriously weightlifting in high school at Norwich Free Academy, where he graduated in 2009. While at NFA, he participated in Indoor Track, frosh Baseball, Football 3 years, Jazz Band, Young Voters Society Club, 1<sup>st</sup> male Cheerleader and even sang the National Anthem at sporting events. For four years at NFA, he was a student athletic trainer. As a senior, he and his mother organized a fundraiser at NFA and New Jersey to fight ALS (Lou Gehrig's Disease). A substitute teacher noticed his athletic skill and offered to coach him in CrossFit. “I learned really quickly that I wasn't good at CrossFit, but I was good at picking up heavy stuff.”

He matriculated to Springfield College where he joined the lifting team and graduated with B.S. and M.Ed. degrees in athletic training. Continuing to be involved in many aspects of life around him, he was a student representative on the Springfield College Board of Trustees. Rob just published a children's picture book entitled, Strong. As outlined, Rob *is* much more than a “world's strongest man”. Not only a Strongman competitor, Rob is the first and only openly gay professional strongman. Throughout his career, he and his husband have dedicated their careers to LGBTQ+ inclusion and advocacy, especially within the world of strength athletics. Over the past three years, he has traveled to at least 17 countries for strongman events most often with husband, Joey. Rob and Joey currently reside in Ludlow, MA .

The Norwich Sports Hall of Fame is continually looking for resumes of candidates for induction.

An **applicant** must be at least 40 years of age, must have been a resident of Norwich, attended school in Norwich or contributed to Norwich based athletics. Deceased candidates are also considered.

**Joseph Kapteina Award** candidates are considered based on their contributions in other athletic endeavors such as outstanding community service. There are no age requirements for this award.

**Sportsperson of the Year** candidates shall be selected on the basis of athletic achievement during the most recent year. Age is not a consideration.

Obtain the resume from our website:

[www.norwichsportshalloffame.org](http://www.norwichsportshalloffame.org)

or from:  
Matt Hinchey

Return to:  
Matt Hinchey  
NSHOF Secretary  
63 Grant Court  
Norwich, CT 06360

## ***In Memoriam .....***

*Please take a moment to remember those inductees and reward recipients who are no longer with us.*

*They left an indelible mark!  
They shall never be forgotten!*

@path2selfwellness

Path 2 Self Wellness stands for truth, radical responsibility, and health freedom above all else. We honor the body's natural ability to self-regulate and heal. We believe healthcare is shifting to a self-empowered, preventative, and root cause approach to health and wellness. We recognize our bodies do not make mistakes, they communicate via a multitude of physical and mental manifestations. Our bodies adapt, heal, and overcome if given the proper nourishment on all levels. We stand with products and approaches that are natural, non-toxic, and that create environments to ensure health on all levels, spiritually, mentally, emotionally, and physically.
